

Malaysia is fast becoming a hot favourite with international students. Its educational institutes are counted within the top 200 universities in the world. The best part of Malaysia is its international students from around the globe including India. Malaysia is one of the safest and politically stable countries in the world with a relatively low crime rate. The weather in Malaysia is sunny and rainy all year without extreme cold or hot weather conditions making the weather easy to adapt to. Malaysians are friendly, welcoming and love to socialise.
